

NOTES:

My complaint was retrieved by BPD on Aug 21, 2025. On Aug 25, I was contacted by Det. Benavente, he left a message, I called him back ASAP.

During the phone call, he asked me to submit two things:

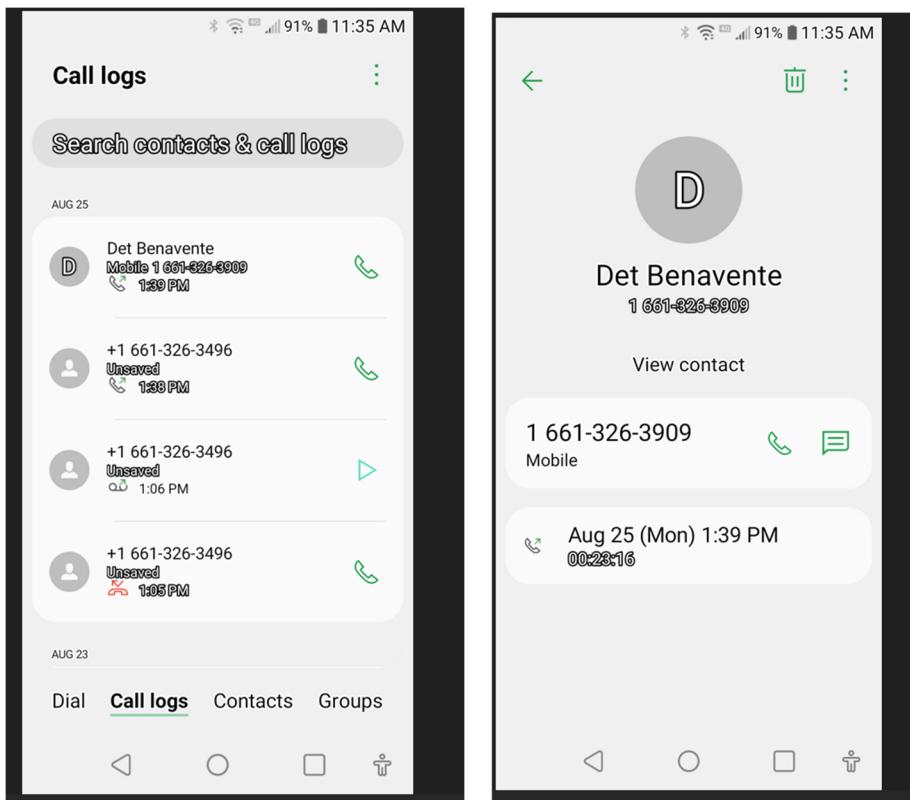

1 - The attachments I had sent with my online complaint and again via email on August 17, 2025 12:44pm EST.

2 - The all emails between me and the BPD.

This request indicated that they did not retain their own copies – some of which included forensic evidence. There are multiple emails which demonstrate in their own words that they were investigating Brynia's case.

After that, Det. Benavente sent me a link to an Evidence Drop Box at 1:58pm EST.

The call on Aug 25, 2025 was from 1:39-2:02PM EST for me [REDACTED], 10:39-11:02 PST for Bakersfield.
